Case Study #1

Georgia Piedmont Technical College

Year-round service:

Our team stripped and waxed the floors at the Georgia Piedmont Technical College campus and maintained them year-round.

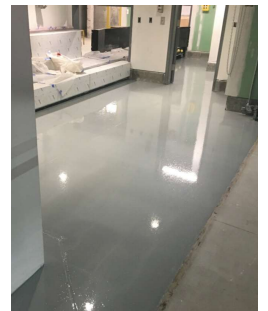

Case Study #2

Hartsfield Atlanta International Airport

A trusted partner:

The airport has been one of CFS' long-term clients and the team has performed construction services and provided janitorial solutions.

Recently we performed a grind and seal on the flooring at the South Concourse 1 Level bag check-in area. (*pictured right*)

JANITORIAL SOLUTIONS

- Concrete Polishing
- Strip/Waxing
- Epoxy Coating
- Scrub/Recoating
- Carpet Cleaning
- Restroom Deep Cleaning

CFS is committed to finding the better solution and ensuring that it is delivered in the most efficient, cost-effective manner. We are committed to providing projects in a seamless and non-disruptive manner. Our management team oversees each assignment personally - and will be available from start to finish throughout the project. Offering our clients this individual, single-source attention has been the reason for our continued success.

Honesty, integrity, and staying true to a promise. CFS exhibits a "family-owned business" value to clients while providing forward-looking incentives to employees. For their clients, that's a winning strategy.
